

LOUISIANA BOARD OF REGENTS 2003-2004 INSTITUTIONAL REPORT FOR THE PREPARATION OF TEACHERS SOUTHERN UNIVERSITY AT NEW ORLEANS

Message from the Commissioner:

The following institutional report represents a critical component of the education community's effort to improve our state's teacher education programs at both public and private universities. This annual report is intended to keep Louisiana's citizens informed about the quality of our teacher preparation. In 2002, the first factor used in our accountability program was released – student passage rates on the teacher certification examination (PRAXIS). Last year, the formula was expanded to make the scores an even more meaningful catalyst for continued reform. As was the case last year, the scores have been calculated using a weighted formula that takes into account each institution's regular and alternate certification completer rate (with extra points for completers who meet definitions for identified shortage areas), the PRAXIS examination passage rate, and the score on a survey measuring completer satisfaction. Teacher preparation accountability is just one of the many benefits Louisiana is reaping from partnerships that have been created between universities and school districts to recruit, prepare, and retain teachers. Our goal is to provide every child in Louisiana caring and qualified teachers in every class every year – to ensure that truly no child is left behind.

E. Joseph Savoie Commissioner of Higher Education

Mission of University

The mission of Southern University at New Orleans is to create and maintain an environment conducive to learning and growth, to promote the upward mobility of all people by preparing them to enter into new as well as traditional careers, and to equip them to function optimally in the mainstream of the American society. The mission of the university was expanded in 1981 when it was authorized to award the Master of Social Work degree.

The University provides a sound education tailored to special needs of students coming to an open admissions institution and prepares students for full participation in a complex and changing society. The University offers a liberal education directed toward the achievement of higher literacy and broad intellectual development, which in turn serves as the foundation for training in one of the professions. The SUNO ideal is thus a harmony of the general and the special aspects of learning. It aims at both immediate and long-range rewards.

Student Characteristics of University

During Fall 2002, the university had a total enrollment of 2,796 undergraduate and 590 graduate students. A total of 977 students were males and 2,409 were females. The majority of the students were from Louisiana with a total of 321 in-state students, 110 out-of-state students, and 57 foreign students. Among students enrolled in the undergraduate program, 2,566 were black, 35 were white, and 195 were other races. Among students enrolled in the graduate program, 499 were black, 47 were white, and 44 were other races.

Accreditation and Approval of Teacher Preparation Program

The university is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools (SACS). In addition, the university is accredited by the National Council for the Accreditation of Teacher Education (NCATE). All of the university's teacher preparation programs are approved by the Board of Regents and Board of Elementary and Secondary Education.

Notable Features and Accomplishments of Teacher Preparation Program

- College of Education instituted a reading caravan at two professional development schools awarding bicycles to students who read and wrote reviews for 20+ books. (Fall, 2003)
- Five faculty development in-services were sponsored by the College of Education including *Academic Pedagogy* Dr. Cherry Gooden; *Brain-Based Learning* Ina Delahousaye, *Evaluation and Assessment* Dr. Charles Hodge, and *No Child Left Behind Laws* Carolyn Garrett and *Questioning Techniques* Dr. Marylou Dantonio, (Spring, 2002-2004)
- College of Education faculty participated in the Quarterly Culminating Activity for the on-campus Signature School to develop an on-going relationship with students and Signature School faculty. (Spring, 2004)
- College of Education initiated a *Journal for Urban Education*, which focuses on best practices for teaching and learning in urban settings. (Spring, 2003)

Notable Features and Accomplishments of Teacher Preparation Program

- The College of Education sponsored a faculty retreat designed to review the alignment of Praxis components with specific courses. Dr. Giebelhaus of ETS facilitated the retreat. Reading specialists were also invited to share information about Reading First, Success for All and Direct Instruction. (Spring, 2003)
- College of Education initiated non-credit Praxis Seminars for students who must take and successfully pass Praxis I. (Fall, 2003).
- SUNO was selected as one of the Historically Black Universities to participate in NCATE Initiative Reading First Teacher Education Network Initiative (RFTEN). (Fall, 2003)
- PK-16 Council has developed an Action Plan that focuses on three major areas that will implement No Child Left Behind which includes improving parenting skills, increasing community involvement and providing academic opportunities for parents. (Fall, 2003)
- College of Education sponsors PEACE Conferences during the spring semester focusing on anti-violence strategies for faculty and school personnel. (Spring 2003 & 2004)
- College of Education initiated the Etiquette Institute for pre-teens at our Professional Development Schools in an effort to address appropriate social and intellectual behavior. (Summer, 2003)
- College of Education established bi-monthly book reviews that include Who Moved My Cheese by Spencer Johnson, Fish by Stephen Lundin, Bringing Out the Best in People by Alan Loy McGinnis, Empowering Education by Ara Shores, Jonathan Livingston Seagull by Richard Bach. (Spring, 2003)

Teacher Preparation Program Data

The following data have been provided about the teacher preparation program.

1. Total number of students formally admitted to the regular teacher 308 preparation program and enrolled in one or more courses during academic year 2002-2003 including all areas of teaching specialization.

Teacher Preparation Program Data (Cont'd)

2.	pro tea stu	tal number of students enrolled in the regular teacher preparation or and alternate certification program, including all areas of ching specialization, who participated in programs of supervised dent teaching or supervised internships during Summer 2002, Fall 02, and/or Spring 2003.	42
3.		pervising faculty for supervised student teaching and internship periences.	
	a.	Number of appointed full time faculty in professional education.	7
	b.	Number of appointed part-time faculty in professional education who supervised student teaching/internship experiences during Summer 2002, Fall 2002, and Spring 2003.	5
	c.	Number of appointed part-time faculty in professional education not otherwise employed by the institution, who supervised student teaching/internship experiences during Summer 2002, Fall 2002, and Spring 2003.	3
	d.	Total number of supervising faculty for the teacher preparation program during 2002-2003.	15
4.	Stu	dent/faculty ratio for student teaching and internship experiences.	6:1
5.	Stu	dent participation in student teaching.	
	a.	Average number of hours per week required of student participation in supervised student teaching during academic year 2002-2003.	35
	b.	Total number of weeks per semester of supervised student teaching required for student teaching during academic year 2002-2003.	26
	c.	Total number of hours required during academic year 2002-2003 for student teaching.	360

LOUISIANA BOARD OF REGENTS 2003-2004 TEACHER PREPARATION ACCOUNTABILITY SYSTEM

SOUTHERN UNIVERSITY AT NEW ORLEANS

In compliance with the Higher Education Act of 1998, Louisiana created a Teacher Preparation Accountability System to assess the performance of teacher preparation programs within the State. During the first phase (2001-2002) of the accountability system, the performance of the regular and alternate certification students on the state teachers' examination (PRAXIS) was assessed. During the second phase (which began in 2002), the quantity of program completers at each institution and the performance of each institution (e.g., performance of regular and alternate certification students on the state teachers' examination (PRAXIS) and ratings by teachers of their satisfaction with their teacher preparation programs) are being assessed. In the future, additional factors will be assessed to examine such areas as: ratings of programs by first year teachers' mentors; retention of teachers after three years of teaching; and university-district partnerships. The purpose of this accountability system is to clearly demonstrate to the public that all universities and colleges in the State are working diligently to produce quality teachers who work effectively with PK-12 students.

I. INSTITUTIONAL PERFORMANCE INDEX

A. Grade Performance of 2002-2003 Regular and Alternate Certification Program Completers on Certification Index (Percentage of students who passed the PRAXIS examination)

Grade: A+

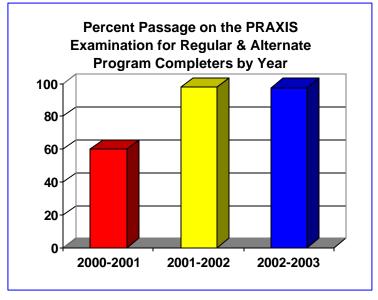

PRAXIS Passage Rate: 97.6%

Scaled Score: 128

This is a difference of -0.1% when compared to the 97.7% passage rate of 2001-2002 regular and alternate certification program completers on the PRAXIS examinations.

The following scale was used to determine passage rate grades:

A+ = 98%-100% Passage Rate
A = 92%-97% Passage Rate
B = 86%-91% Passage Rate
C = 80%-85% Passage Rate
below C = below 80% Passage Rate
See Appendix A for a breakdown of scores.

Southern University - New Orleans (Continued)

I. INSTITUTIONAL PERFORMANCE INDEX (continued)

B. Grade for Ratings of 2002-2003 Program Completers on Graduate Satisfaction Survey

Grade: B

Mean Score of Survey Respondents: 116 over 2 year(s)

Total Number of Survey Respondents: 13

Respondents' Scaled Score: 99

The following scale was used to determine grades for mean responses on surveys:

A+ = 128 & above A = 117.0 - 127.9 B = 107.0 - 116.9 C = 93.0 - 106.9 below C = below 93.0

See Appendix B for a breakdown of scores. Scaled scores are not assigned for institutions with fewer than 10 survey respondents over 2 years.

II. QUANTITY INDEX

Grade for Quantity Score

Grade: Below C Quantity Score: 64 Baseline Score: 99

Percentage of Difference: -35.4%

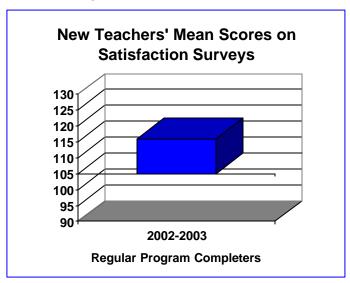

Scaled Score: 0

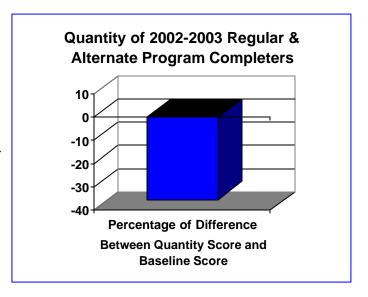

The following scale was used to determine quantity grades based upon percentage of difference between the 2002-2003 Quantity Score and Baseline Score:

A+ = +15% and above A = +5% to +14% difference

B = -3% to +4% difference C = -4% to -15% difference below C = -16% and greater difference

See Appendix C for a breakdown of scores.

Southern University - New Orleans (Continued)

III. TEACHER PREPARATION PERFORMANCE SCORE AND LABEL

A. Teacher Preparation Performance Score	=	(Institutional Performance Index + Quantity Index) ÷ 2
	=	{([Certification Scaled Score x .875] + [Graduate Satisfaction Scaled Score x .125]) + Quantity Scaled Score} ÷ 2
	=	$\{([128 \times .875] + [99 \times .125]) + 0\} \div 2$
	=	$(124.4+0) \div 2$
	=	124.4 ÷ 2
	=	62.2

Note: The Graduate Satisfaction Survey has been given a weight of .125 instead of .25 due to the fact that only the regular program completers' data were used. Future accountability cycles will use surveys administered to both regular and alternate program completers.

Note: The Institutional Performance Index is computed using only PRAXIS passage rate data for institutions with fewer than 10 survey respondents over 2 years.

B. Teacher Preparation Performance Label	=	At Risk
The following scale was used to assign the label:		
Exemplary Teacher Preparation Program	=	Teacher Preparation Performance Score of 125.0 and above
High Performing Teacher Preparation Program	=	Teacher Preparation Performance Score of 100.0 – 124.9
Satisfactory Teacher Preparation Program	=	Teacher Preparation Performance Score of 80.0 – 99.9
At-Risk Teacher Preparation Program	=	Teacher Preparation Performance Score of 50.0 – 79.9
Low Performing Teacher Preparation Program	=	Teacher Preparation Performance Score of 0 – 49.9

Passage Rate Reports have not yet
been provided to states by
the Educational Testing Service.

¹ The number of program completers found, matched and used in the passing rate calculation will not equal the sum of the column labeled "Number Taking Assessment" since a completer can take more than one assessment.

² Institutions and/or States did not require the assessments within an aggregate where data cells are blank.

³Number of completers who took one or more tests in a category and within their area of specialization.

⁴Number who passed all tests they took in a category and within their area of specialization.

⁵Summary Totals and Pass Rate: Number of completers who successfully completed one or more tests across all categories used by the state for licensure and the total passrate.

APPENDIX B

SOUTHERN UNIVERSITY AT NEW ORLEANS

TEACHER PREPARATION PROGRAM ACCOUNTABILITY SURVEY 2002-2003 Data

total number of cases = 13

Mean Total Survey Score (adjusted) = 116*

Item Scores by Question

		number of responses				
	mean by item	strongly disagree	disagree	agree	strongly agree	
Planning						
1. Specify learning objectives in terms of clear, concise student outcomes.	3.38	0	0	8	5	
2. Plan a series of activities that help my students achieve those objectives.	3.38	0	0	8	5	
3. Successfully identify individual student differences in the context of a whole class.	3.15	0	1	9	3	
4. Implement accommodations for individual student differences.	3.23	0	2	6	5	
Instruction						
5. Consistently stimulate and encourage higher order thinking at the appropriate developmental levels.	3.46	0	0	7	6	
6. Identify a variety of lesson materials, in addition to traditional classroom materials.	3.31	0	2	5	6	
7. Integrate a variety of materials to achieve lesson objectives.	3.31	0	1	7	5	
8. Change or adjust a lesson to respond to my students' outcomes.	3.31	0	1	7	5	
9. Use both short-term and long-term evaluation methods to measure my student outcomes.	3.31	0	0	9	4	

^{*} As written, the survey contains 35 items. Technical difficulties with administration caused items 14 and 35 not to be administered in 2002-2003; data for those items represent responses from the 2001-2002 survey only. The final score represents an adjustment to the 33-item mean to represent its equivalent out of 35 items for the 2002-2003 survey year. This was necessary in order to convert the survey scores to scaled scores and to merge scores for the two years of data reported for the accountability system.

13

10. Implement teacher-directed or student-centered activities that result in student learning.	3.54	0	0	6	7
11. Successfully plan for individual student differences in the context of a whole class.	3.31	0	1	7	5

APPENDIX C

SOUTHERN UNIVERSITY AT NEW ORLEANS

2003-2004 CALCULATION OF QUANTITY INDEX

BASELINE SCORE

A Baseline Score has been established for each individual teacher preparation program in Louisiana. The Baseline Score is the total number of regular and alternate program completers that completed teacher preparation programs between the dates of July 1, 2000 – June 30, 2001.

QUANTITY SCORE

A. 2002-2003 PROGRAM COMPLETERS

One-point is assigned to every regular and alternate program completer that completed teacher preparation programs between the dates of July 1, 2002 – June 30, 2003.

B. BONUS POINTS

In addition, one-half a point is assigned to every 2002-2003 regular and alternate program completer that met the criteria for each of the following teacher shortage areas.

	Teacher Shortage Areas	# Regular Program Completers	# Alternate Program Completers
MINORITIES		22	16
MATHEMATIC	S		3
