BLUE RIBBON COMMISSION FOR EDUCATIONAL EXCELLENCE

CHARGE TO THE 2011-12 BLUE RIBBON COMMISSION

To prepare students who are career and college ready as new Common Core State Standards and PARCC assessments are implemented in Louisiana

EXISTING LDOE TARGETS TO BE ADDRESSED

- 80% of students graduate high school in four years by 2014
- 55% of high school graduates enroll in post-secondary institutions by 2016
- 15% of high school graduates earn an industry-based certification by 2016

QUESTIONS TO BE ANSWERED BY COMMISSION

1. Should the same cut-off scores on the new PARCC assessments for placement in entry-level credit-bearing courses in mathematics and English be the same for technical colleges, community colleges, and four year post-secondary programs?
2. What options should be made available to high school students who attain readiness scores on the PARCC assessments for entry-level, credit bearing courses prior to their senior year in high school?
3. What options should be made available to high school students who attain passing grades in Algebra I, Algebra II, and Geometry but do not attain readiness scores for entry-level, credit bearing courses prior to high school graduation?
4. What support should be provided to experienced teachers who lack the depth of content knowledge and depth of pedagogical knowledge/skills to prepare students to successfully address the Common Core State Standards and PARCC assessments?
5. How will schools in Louisiana develop the necessary technological infrastructure for students to naturally apply knowledge through the use of technology when completing learning activities throughout the school year and when completing formal PARCC assessments?
