Regent Durbin, Chair of the Search Committee, presented the Search Committee Report of February 23, 2011. (Copy on file in the office of the Board of Regents.)

Regent Durbin noted that the Committee had met and accepted the report from Dr. Betty Asher of Greenwood/Asher and Associates who conducted the nationwide search for candidates interested in the position of Commissioner of Higher Education. She continued by stating that an
interview had been conducted with Dr. James Purcell, Director of the Arkansas Department of Higher Education, and candidate for the position of Commissioner of Higher Education.

COMMISSIONER APPOINTMENT

On motion of Regent Durbin, seconded by Regent Klein, the Board voted unanimously to accept the recommendation of the Search Committee to appoint Dr. James Purcell as the next Commissioner of Higher Education for the state of Louisiana.

Regent Gorman thanked the Search Committee and Greenwood/Asher and Associates for its exhaustive and far-reaching search from coast to coast to find such a quality candidate.

Dr. Purcell thanked everyone for the opportunity to share in this exciting time in Louisiana.

On motion of Regent Durbin, seconded by Regent Klein, the Board voted unanimously to authorize the Chairman of the Board of Regents to negotiate and execute a letter of appointment with Dr. James Purcell in keeping with Joint Legislative Committee on the Budget (JLCB) approval.

Regent Levy noted that Search Committee Chair Durbin undertook a very difficult job at a difficult time to bring to Louisiana a quality candidate. The search for a Commissioner was long and arduous, but the Search Committee discharged its role perfectly. He said the Board owes Search Committee Chair Maurice Durbin a round of applause for her hard work.

REPORTS AND RECOMMENDATIONS BY THE CHAIRMAN OF

THE BOARD OF REGENTS

Regent Levy noted that he had submitted two items to the Board for review, discussion and possible adoption at this month’s meeting. The first was a copy of the Bylaws for the Internal Operation and the Transaction of Business. Regent Levy noted that he would ask for a motion to table action on the Bylaws until next month due to further edits of the document.

On motion of Regent Klein, seconded by Regent Farr, the Board voted unanimously to table action on the Bylaws for the Internal Operation and the Transaction of Business until the March 2011 meeting.

The next item for review was the Leadership Agenda 2011-2012. Mr. Levy said the Leadership Agenda is a set of 10 priorities, beliefs and operational principles to guide the Board in its overall educational attainment effort. He stated these priorities are appropriate and necessary to keep all actions the Regents undertake on course while pursuing adoption of the Master Plan.

On motion of Regent Wiley, seconded by Regent Klein, the Board voted unanimously to adopt the Leadership Agenda 2011-12 as presented. (Copy of Leadership Agenda 2011-2012 attached.)

Regent Levy said the adopted Leadership Agenda cites the low level of educational attainment in Louisiana. He mentioned that approximately 27% of working age adults in Louisiana hold a postsecondary credential compared to 38% nationally. He noted that leaders and organizations have challenged the United States to regain its rank as first in the world in educational attainment. Chairman Levy said this would require 60% of America’s working-age population to have a postsecondary credential by 2025. He noted that although not every state will be able to reach this goal, including Louisiana, all can contribute to its achievement. He recommended that the staff work with a broad array of stakeholders to develop a statewide
educational attainment goal for Louisiana and report progress to the Board at its September 2011 meeting. Chairman Levy said the preliminary goal should be at least the projected 2025 SREB average of 42%.

Regent Levy stated that Dr. Tom Layzell joined the Board of Regents in August 2010 and will return home after Monday, February 28. Dr. Layzell has fulfilled a role that perhaps no one else could have fulfilled. Mr. Levy said when Dr. Layzell agreed to come to Louisiana, SREB President Emeritus Mark Musick was quoted as saying, “When someone at a crowded event calls out, ‘Is there a doctor available?’ it is Dr. Layzell that exemplifies the person that we all hope to see step forward.” In a crisis you want someone that knows what he is doing to step in and that is what Dr. Layzell did for Louisiana.

Chairman Levy said that the legislature was able to recognize the great work he had done, his integrity, his personality, his steadfastness, and his calmness. State Representative Patricia Smith made the following comment at a Joint Legislative Committee on the Budget meeting last week:

“While Tom Layzell did not get a warm welcome from Louisiana when he came... he has earned a warm and heartfelt Louisiana thank you as he departs next week."

Regent Levy said there has been a change of heart across the state about the Board of Regents through Dr. Layzell’s leadership. He knew that Dr. Layzell could make a difference in Louisiana during critical and challenging times. Regent Levy thanked Dr. Layzell for keeping the Regents focused over the past seven months in his quiet, steady, and compassionate style. Regent Levy presented Dr. Layzell with a crystal bowl.

Dr. Layzell said it was an honor and privilege to work with the Regents and staff and will always remember his time in Louisiana. He offered to assist in the future if needed.
Regent Levy stated that all Board members are being polled regarding their availability to attend a special meeting concerning the UNO/SUNO study in March, so the National Center for Higher Education Management Systems (NCHEMS) can present the final report that will be referred to the Governor and Legislature; and (2) the date for the next joint meeting with the Board of Elementary and Secondary Education has changed from Thursday, May 19, 2011, to Tuesday, May 17, 2011.

**ADJOURNMENT**

There being no further to come before the Board, the meeting was adjourned at 8:32 a.m.
