Next Regent Levy commended Commissioner of Higher Education Jim Purcell for being one of twelve higher education Commissioners from across the country named to the State Higher Education Executive Officers’ (SHEEO) Executive Committee. Commissioner Purcell was nominated for a two-year term by a four-member nominating committee and elected by the full membership of the association at the SHEEO Annual Meeting in July. Mr. Levy said that election to the Executive Committee signified respect for Dr. Purcell’s contributions to higher education public policy and a desire to have him play a leadership role in the future of the association. Chairman Levy noted that he had attended the regional meetings as well and said they were well received in those areas.
