WELCOME AND PRESENTATION BY DR. ROBERT HEBERT
PRESIDENT, MCNEESE STATE UNIVERSITY

Regent Strong recognized Dr. Robert Hebert, President of McNeese State University and Dr. Andrea Miller, Chancellor of SOWELA Technical Community College. He acknowledged their hard work in hosting the Board of Regents this month.

Dr. Hebert presented a short video about the university and some of its many accomplishments. He said he is very proud of the students, faculty, staff, and alumni at McNeese State University.

Dr. Hebert continued by noting several new initiatives currently underway on the McNeese campus. Hurricane Rita in September 2005 had caused over $30 million in damage to the central campus, but 2 ½ years later, 90% of the damage has been repaired. The campus was closed for one month due to the hurricane, and despite losing over 600 students after the hurricane, there were 735 students in the December 2005 graduating class. He reviewed the four core values of McNeese State University: (1) Commitment to Academics, (2) Student Success, (3) Fiscal Responsibility, and (4) University-Community Linkages.
