MINUTES APPROVED

APPROVAL OF THE MINUTES OF JANUARY 22, 2004

On motion of Regent Brame, seconded by Regent D’Aquin, the Board voted unanimously to approve the minutes of January 22, 2004, as circulated.

SPECIAL ACCELER8 PRESENTATION

Dr. Jimmy Clarke, Deputy Commissioner for Planning, Research and Performance, explained that the Regents was hosting a drawing for one $500 Student Tuition Assistance Revenue Trust (START) college savings account to be created in the name of a lucky Louisiana eighth grader. He said that a name would be drawn from among entries received in response to a promotion in conjunction with the Regents-sponsored Acceler8 magazine, a college-readiness guide provided to Louisiana eighth graders last fall. Dr. Clarke explained that the Regents solicited assistance from the Louisiana Education Loan Authority (LELA), a division of the Louisiana Public Facilities Authority (LPFA), to initiate the START account to develop interest in the eighth grade Acceler8 insert.

At this time, Dr. Clarke introduced Mr. James Parks, President and CEO of the Louisiana Public Facilities Authority; Mr. Jack Guinn, Executive Director of the Office of Student Financial Assistance; Ms. Tricia Dubroc, Vice President of the Louisiana Education Loan Authority; Ms. Laura Ketteringham, Special Projects Sales Manager of the Greater Baton Rouge Business Report; and Tara Jeanise, Executive Assistant to the Publisher and Community Liaison, Baton Rouge Business Report.
Mr. Parks remarked that the LPFA Board of Trustees was pleased to participate in this endeavor and noted that LPFA’s student loan program offered through LELA is the best in the country. LPFA has worked diligently with the Regents and the Office of Student Financial Assistance regarding the student loan program. He said he was pleased to be here today to award the $500 scholarship.

Next, Mr. Guinn spoke about the START Program. He said it is the best college savings program available to help families with the future cost of their children's postsecondary education. He said that the START program is a 529 plan under the Internal Revenue Code. Mr. Guinn explained that the legislature has created several new accounts which will enable legal entities to donate monies to a child to assist in paying their college expenses.

He explained the process of opening an account and added that as an incentive for individuals to save, the State of Louisiana will match a portion of the deposits made to one’s account, depending upon the amount deposited, adjusted gross income and the category of the account.

Ms. Dubroc of LELA brought to the attention of the Board the timeliness of this award since Governor Kathleen Blanco proclaimed the month of February as “Financial Aid Awareness Month.”

Ms. Ketteringham of the Baton Rouge Business Report said she was glad that the Business Report, Louisiana Graduates and Next publications have made a difference for children to continue their higher education here in Louisiana.

A drawing was held, and the winner of the $500 START account was Brookney Brooks from F.K. White Middle School in Lake Charles.

CONSIDERATION OF REQUEST FOR MATCHING FUNDS FOR SUBMISSION OF A CENTER-SCALE PROPOSAL TO THE NSF CYBER TRUST PROGRAM

On motion of Regent Brame, seconded by Regent Levy, the Board voted unanimously to accept the recommendation of the Sponsored Programs Committee to approve a cash match from previously unspent monies in the Board of Regents’ Support Fund for the Cyber Trust proposal entitled “Center of Excellence in Cyber Infrastructure Security” developed by Louisiana State University and Southern University. The amount of cash match provided annually shall be half of the 20% required cost sharing; i.e., for an NSF award of $2 million per year, the maximum cashmatch will be $200,000 per year, not to exceed a total of $1 million for the five-year duration of the award. Matching funds are to be provided only if NSF Cyber Trust funding is received. The remainder of the required matching funds will be provided by the participating institutions.

ADOPTION OF THE SPONSORED PROGRAMS COMMITTEE MEETING REPORT OF FEBRUARY 26, 2004

On motion of Regent Brame, seconded by Regent Levy, the Board voted unanimously to adopt the Sponsored Programs Committee Meeting Report of February 26, 2004, as presented. (Copy on file in the office of the Board of Regents.)
REPORTS AND RECOMMENDATIONS OF THE COMMISSIONER

Commissioner of Higher Education E. Joseph Savoie provided updates to the Board on the following activities and upcoming events.

1. Congratulations to Regent William Oliver for being named the 2004 King of the Mystic Krewe of Louisianians at the Washington Mardi Gras;

2. Louisiana is one of five states (Louisiana, Hawaii, Idaho, Oklahoma, and Tennessee) chosen to participate in a Western Interstate Commission for Higher Education (WICHE) project entitled *The Changing Direction: Integrating Higher Education Financial Aid and Financing Policy*. This project is supported by a grant from Lumina Foundation. Deputy Commissioner of Administration Donald Vandal is the coordinator for the Louisiana team. The project’s term is March 1, 2004 through Feb. 28, 2005, with the expectation that Louisiana will participate for a second year;

3. Recent dedication of Harold Callais Hall at the University of Louisiana at Lafayette;

4. Higher education briefing to Senate Education Committee this afternoon;

5. Upcoming Governor’s Healthcare Summit scheduled for March 3 and 4, 2004, in New Orleans;

6. Annual Conference of Louisiana Colleges and Universities hosted by the University of New Orleans scheduled for March 18 and 19, 2004 in New Orleans;

7. Association of Governing Board Conference to be held in New Orleans on March 27-30, 2004;

8. An update on the Learning Center for Rapides Parish (LCRP);
   - Open house and a ribbon-cutting ceremony was held in November and attended by Regents Toups and Brame;
   - The appointment of a Financial Aid/Enrollment Management Consortium comprised of all LCRP partners offering undergraduate courses or programs which developed guidelines to streamline the process of obtaining financial aid;
   - The implementation of policies and procedures for the library;
• The establishment of a partnership with Louisiana Technical College – Region VI to conduct two of the needs assessments: the survey for potential students and residents of Region VI and the survey for employers;

• Held meetings with the Regional Advisory Council and Instructional Advisory Council; and

• Total enrollment (duplicated) for Spring 2004 is 668 with 90 courses being offered and 55% of these programs are offered by compressed video.

9. An update on the Louisiana Optical Network (LONI) concept, a high speed research network;

• Meetings have been held with key members of the Governor’s staff, the Division of Administration and the Department of Economic Development;

• There was a consensus that the network had considerable promise and potential for university research and economic development, but State budgetary limitations and the cost of the network required the development of program options and a comprehensive business plan;

• Opportunities will be forthcoming for system and institution representatives to participate in groups designated to work with telecommunications companies to develop alternate proposals for building a statewide network; identify specific grant opportunities; identify specific industries that could generate additional jobs; develop a governance model for the ownership and operation of the statewide network; and explore financial strategies to support the project.

ADJOURNMENT

There being no further business to come before the Board, on motion of Regent Henry, seconded by Regent Strong, the meeting adjourned at 11:08 a.m.
