APPROVAL OF THE MINUTES OF APRIL 22, 2004

On motion of Regent Blake, seconded by Regent D’Aquin, the Board voted unanimously to approve the minutes of April 22, 2004, as circulated.

PRESENTATIONS

Vice Chair Henry and Dr. E. Joseph Savoie, Commissioner of Higher Education, presented a gift to Mr. Mike Galloway, Associate Commissioner for Finance, upon his retirement after 31 years of state service with employment of 27 ½ years at the Board of Regents.

GRADUATE STUDIES AT SOUTHERN UNIVERSITY AT NEW ORLEANS

Ms. Helen Johnson, Special Master for Desegregation, introduced Dr. Press Robinson, Chancellor of Southern University at New Orleans (SUNO). Dr. Robinson thanked the Board for showing its support since the beginning of the desegregation settlement agreement. He next introduced Dr. Leetta Allen-Haynes, Dean of the Graduate Studies Program who noted that, in accordance with the mandates of the Desegregation Settlement Agreement, SUNO has implemented four masters degree programs – Computer Information Systems, Criminal Justice, Museum Studies and Urban Education. She then introduced the directors of each graduate program. Dr. Haynes shared a power point presentation outlining the activities and highlights of Southern University at New Orleans’ Graduate Studies Program. Dr. Savoie complimented those present for the quick progress made toward implementing these programs in such a short period of time.

LOUISIANA GENE THERAPY RESEARCH CONSORTIUM

Dr. Paul Whelton from Tulane University Health Sciences Center, Dr. Mary Ella Sanders from the Louisiana State University Health Sciences Center-New Orleans, and Dr. John McDonald from the Louisiana State University Health Sciences Center-Shreveport presented a
Dr. Whelton noted that in the Louisiana’s 20 year master plan, *Vision 2020*, Gene Therapy has been identified as a critical factor in the State’s future economic success.

Dr. Sanders noted the three objectives of the Louisiana Gene Therapy Research Consortium are science, commercialization and education. She said that the state has invested over $20 million into the Louisiana Gene Therapy Research Consortium since its inception. Dr. Whelton stated that the Consortium has been awarded $48.5 million in grants with $37.4 million in grants pending. He continued by saying that 170 new jobs have been created. He also stated that construction of a Clinical Manufacturing Facility (CMF) is underway and would be completed by the end of 2005 or early 2006.

Dr. Sanders thanked Mr. Donnie Vandal, Deputy Commissioner for Administration, and Regent Virgil Robinson for their guidance and support at many of the Consortium’s meetings. Dr. Whelton said that the Consortium has attracted the best of scientists, and the program has positioned Louisiana on the map of recognition. Dr. Savoie stated that the Consortium had validated the argument that investment in education is an investment in economic development.

**EDUCATIONAL PLANNING AND ASSESSMENT SYSTEM (EPAS) DATA RESULTS FOR 2003-04**

Dr. Jimmy Clarke, Deputy Commissioner for Planning, Research and Performance, introduced Ms. Carolyn Kostelecky, Assistant Vice President and Mr. Glen Gullikson, Director, School and Career Services of the ACT staff, serving Louisiana. Ms. Kostelecky noted that the purposes of the Louisiana EPAS were to raise academic standards, expand college access and success for all students consistent with the *Master Plan*; to improve student preparation for important transitions; to foster effective school improvement programs; and to improve articulation between secondary and post secondary education/training. She explained that the
four components of Louisiana EPAS are assessment, student planning, instructional support, and evaluation. Dr. Clarke informed the Board that on June 11, 2004, there will be a meeting with the Louisiana Association of School Superintendents and each school district would be provided its Linkage Data Report. Dr. Savoie stated that the most recent *Education Trust Report, May 2004*, highlighted five universities which had improved their graduation rates. He continued by noting that Louisiana Tech University was one of the five universities that had increased their graduation rate from 35 percent to 55 percent.

**ACADEMIC AND STUDENT AFFAIRS COMMITTEE**
