WELCOME AND PRESENTATION BY DR. DAN RENEAU, PRESIDENT, LOUISIANA TECH UNIVERSITY

Dr. Dan Reneau, President of Louisiana Tech University, said he appreciated the Regents being on the campus and taking a tour of the campus. He gave a Powerpoint presentation of some of Louisiana Tech’s accomplishments, along with where the university is headed in the future.

President Reneau noted some of the highlights as follows:

• More than 600 evacuees were housed in Caruthers Hall after Hurricanes Katrina and Rita in 2005;
• The Tulane University football team was housed at Tech;
• Students attain bachelor’s degrees in an average of 4.6 years – faster than any other university in Louisiana;
• Ranks third in the nation in Nanotechnology Education;
• Graduation and retention rates are the highest in the University of Louisiana System;
• Master’s degree in Health Information Management is the first completely online degree at the university;
• Biomedical Engineering Building will open soon; will house cutting-edge research and innovation;
• The Foundation raised over $12 million and increased endowment to $60 million – most successful year in history; and
• Four new proposed Ph.D. programs.

REPORTS AND RECOMMENDATIONS OF STANDING COMMITTEES

Before consideration of the agenda, Chair Toups noted that the Board had effectively met earlier in the morning as a Committee of the Whole for each Committee meeting. Therefore, the Chair would entertain a motion to dispense with a reading of each Committee report but, rather, adopt the minutes and the reports and entertain the motions contained in each in globo.

On motion of Regent Strong, seconded by Regent D’Aquin, the Board voted
unanimously to dispense with a reading of each committee report and adopt the minutes and the report and approve the actions and motions contained in each in globo.

On motion of Regent Strong, seconded by Regent D’Aquin, the Board voted unanimously to dispense with the reading of the reports and minutes and that the reports and minutes be accepted in globo and that the recommended actions and motions contained therein are approved in globo.
