OTHER BUSINESS

DISCUSSION OF LEGAL COUNSEL’S RECOMMENDATION REGARDING ACT 360 OF 2013

Chair Rasberry announced that the Board of Regents should enter into executive session to discuss Legal Counsel’s recommendation regarding Act 360 of 2013. He said that R.S. 42:17(A)(2) allows a public body to go into executive session to discuss possible litigation when an open meeting would have a detrimental effect on the litigating position of the public body.

On motion of Regent Lipsey, seconded by Regent Markle, the Board of Regents voted to enter into Executive Session in accordance with R.S. 42:17(a)(2), to discuss Legal Counsel’s recommendation regarding Act 360 of 2013.

A roll call vote was taken, and the Board obtained the necessary two-thirds vote of all members present to go into executive session.

Absent: (4)  Mark Abraham, Charlotte Bollinger, Raymond Brandt, and Chris Gorman

The Committee returned to regular session at 4:12 p.m. Chair Rasberry announced that
during executive session, the Board discussed the legal implications of Act 360 of the 2013
Regular Session. No action was taken and no polling or voting conducted. Regent Rasberry
mentioned there were grave concerns about the deviation from the constitutionally prescribed
process and the policy implications of Act 360. He said the Board believes they were correct in
defending that process during the legislative session as the only means to develop a unified,
comprehensive and impartial capital outlay budget for all of higher education. Regent Rasberry
continued by saying that the legislature and the governor, to whom the Board is constitutionally
responsible for providing advice and recommendations, took a different view. He said the Board
will continue its efforts as the coordinating board to advocate for all of higher education.

ADJOURNMENT

There being no further business to come before the Board, the meeting was adjourned at
